

Brian McCormack

Designer from New York, loving the West Coast.

EXPERIENCE

Amazon Web Services | Senior User Experience Designer

Working with engineers, product managers, executives, and other designers, I lead the User Experience effort for various Amazon Web Services consoles.

Seattle, Washington — 2015-Present

University of Connecticut | Adjunct Professor

I taught HTML, CSS and the foundations of web design to a class of 19 Digital Media and Design students at the University of Connecticut.

Stamford, Connecticut — 2015

Priceline.com | Senior Product Designer

Working within small, collaborative teams I helped to evolve Priceline.com's user experience, interface and front-end code base.

Norwalk, Connecticut & New York City, NY — 2013-15

Priceline.com | Designer / Front-End Developer

Design and development of product and promotional web pages, emails, banners, mobile websites and social apps.

Norwalk, Connecticut — 2009-13

Freelance | Designer / Front-End Developer

Idea to implementation branding, banner development and printed programs. Clients included: Arizona Opera, Hoover Dirt Devil, Brooklyn Bar Association

Phoenix, Arizona & Congers, New York — 2008-10

Vilocity Interactive | Graphic / Web Designer

Billboards, Advertisements, Case Studies, Web Design, Flyers and Posters

Scottsdale, Arizona — 2007-09

EDUCATION

State University of New York at New Paltz | BFA Graphic Design

New Paltz, New York — 2003-06

RECOMMENDATIONS

“ ...His invigorating personality pushes everyone around him to raise the bar and strive for excellence. When Brian is on your team you know you have someone beside you who is going to give it their all and work with you step by step to produce something great for the customer. ”

— Alex Quintana
Product Manager at Priceline.com

“ Brian is incredibly talented, hard-working, and skilled in interaction design, visual design, and front-end development. He works without need for direction, takes initiative, sees problems and comes up with solutions, and is truly someone who elevates the work of the entire team. ”

— Allison McHenry
Senior Software Engineer at Priceline.com
